

THE GOLDWATER SCHOLAR COMMUNITY (GSC) PRESENTS

# WOMEN IN PROFESSIONAL RESEARCH

A WEBINAR TO HELP WOMEN ENTER AND EXCEL IN PROFESSIONAL STEM RESEARCH IN GRADUATE SCHOOL AND BEYOND.

## COME TO LEARN...

How to choose a mentor, how to work with your mentor and peers, presenting research, and when/how to commit to a family life when you are still active in research.

## WHEN IS IT?

Thursday, June 1st 2023 from 6-7:30 PM ET  
Zoom link: <https://temple.zoom.us/j/2665704092>

## THE PANELISTS:

- Dr. Ann Valentine- Professor and Chemistry Chair, Temple University
- Dr. Martha Constantinou- Associate Professor of Physics, Temple University
- Dr. Alix Davatzes- Director of Diversity Equity and Inclusion (CST), Associate Professor of Earth and Environmental Science
- Minna Apostolova- Biochemistry Graduate Student at University of California
